

# Attention Parents/Caregivers!

## Does Your Child Meet the New Immunization Requirements?

All Prince George's County Public Schools (PGCPS) students who will be entering Kindergarten will need the following vaccines before the 2017-2018 school year begins.

### Kindergarten Requirements:

Two doses of Varicella (Chickenpox Vaccine)

### How to update your vaccines now!

#### Those with health insurance:

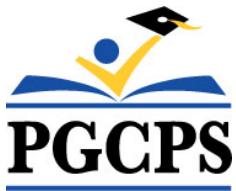

Contact your primary care provider or visit your local pharmacy to obtain required vaccinations.

#### Those without health insurance:

Contact the Prince George's County Health Department at **301-583-3386** to obtain required vaccinations.

#### Questions:

Contact your neighborhood school.
