

The Gateway Enrichment "STEAM"

FALL PROGRAM

At James Madison Middle School

McDougall International, Inc. and James Madison Middle School are delighted to offer a Fall program featuring academic and enrichment activities: Lego Robotics, Environmental Science, Drama, and Math Support.

The program:

- is open to all 6th, 7th, and 8th grade students;
- will begin Monday, September 19, 2016 and end Thursday, December 15, 2016;
- operates 4:15 PM – 6:15 PM;
- will provide snacks;
- features a student teacher ratio of 15:1;
- is **FREE!**

If you are interested in your child participating in the program, **please complete the online registration.** Students will be selected on a first come, first serve basis. Once students are selected, parents will be notified and asked to participate in a mandatory parent orientation.

Please contact Ms. Djuana Wilson at djuana.wilson@pgcps.org for more information/questions.

E

Fall Sessions
ENVIRONMENTAL SCIENCE
Environmental Science is project-based. Students will design a respite area in the JMMS garden and garden runoff abatement. Environmental Science is open to students in all grades and will meet on Mondays and Wednesdays.
LEGO ROBOTICS COMPETITION
Lego Robotics is project-based. Students will participate various challenges. This will be our first attempt at forming a Lego Robotics Competition Team. This session is only open to 8 th graders and will meet on Mondays and Wednesdays.
MATH SUPPORT
Math support provides instruction aligned with the current 8 th grade math curriculum. This session open to all 8 th graders and Math 7 Honors students, and meets on Tuesday and Thursday.
LEGO ROBOTICS EXPLORATION
Lego Robotics is project-based. This session is designed any student with limited to no experience with robotics. This session is open to 6 th and 7 th graders and will meet on Tuesday and Thursdays.
DRAMA
Drama is project-based. Students will not only write scripts but will also perform. Students will produce PSAs geared towards their peers. This session is open to all students and will meet on Tuesdays and Thursdays.
