Dear Bladensburg High School Staff and Community:

I am excited to introduce Mrs. Lisa Faulkner-Jones as the acting principal of Bladensburg High School. Mrs. Faulkner-Jones joins Bladensburg High School after serving as an assistant principal at Central High School the past three years. Prior to this, Mrs. Faulkner-Jones served as an assistant principal for nine years in the District of Columbia Public Schools; she is a former Speech Language Pathologist and taught English/Language Arts. She has developed special education programming in multiple districts and supported academic growth through her transformational leadership. She brings a wealth of knowledge and experience and looks forward to building relationships with students, staff, and the community.

I will be working with Mrs. Faulkner-Jones to schedule several introductory meetings with school staff and the school community. Due to our current climate, these meetings will occur virtually. In the interim, Mrs. Faulkner-Jones will be sending a letter of introduction. I would like to thank the members of the Community Panel for their engagement in the selection process. Your commitment and support of Bladensburg High School is appreciated.

Please anticipate additional correspondence advising of the introductory meetings. I look forward to working with you all during the transition process.

Respectfully,

Charoscar Coleman,
Area III Instructional Director
