The vision of Bladensburg High School is to be a safe institution of learning to support all stakeholders in being solution-oriented, problem solvers, and high performing professionals in a globally challenging society.

To 9th Grade Parents & Guardians,

This letter is to inform you that your child has received a **failing grade for second quarter** and may be in danger of not being promoted to the 10th grade for the 2021 - 2022 school year.

We are urging you to sign up and attend a virtual conference to discuss your child's options to successfully meet their promotional requirements. Conferences will be held virtually for the safety of our students, families, and staff.

This year there will be three options to choose from: **virtual conferences using Zoom, a phone conference, or an email update**. You can decide how to connect with your child's (children's) Professional School Counselor (PSC). After you are registered for a conference, your child's PSC will send you the link for your conference. You will be able to attend through video or by phone. **There are two ways for you to register for your conference:**

1. **Sign Up Genius** - is an online tool that you will use to sign up for a conference time that works for your family.
