HOW TO ENROLL A CHILD
Click – Children

Click – Enroll Child Wizard or Enroll Child

If at any time you cannot complete the enrollment process for a child click “Close for Now”, which is located in the lower right hand corner. This way you can complete the enrollment later by going into the Enroll Child Wizard and the child’s name will appear under the “New Child” tab.

*Note: This can only be done when accessing Minute Menu through Internet Explorer.

If you made a mistake when entering a child’s information please write the correction on the enrollment form and have the parent initial beside it.

Once we receive the enrollment form in the office we will make the correction.
