 You must obtain a valid student identification number or your application will be voided. ▶ For students (New, Former or already have an ID) not currently attending a Prince George's County Public School, parents and/or legal guardians may obtain a Student ID Number or update their address by going to their attendance boundary school with the following documents: proof of residence and birth certificate. Inform the Registrar that you need to update the address on file and/or obtain a Student ID Number to complete this lottery application. ▶ If your child is currently attending a Prince George's County Public School, locate the student number on your child's report card, or go to your child's current school and obtain the student identification number from the Registrar. Lottery school assignments are final and based on residence and space availability. If your child is currently enrolled in a specialty school program, use this form only if you wish to change to a different specialty program. Signature of parent or legal guardian indicates the information given is true. Any misrepresentation may result in the student's exit from the assigned specialty school. 													Students must be TAG identified in order to participate in this program. □ Elementary School Program Grades 2–5												2–5
