By acceptance of this contract, Agency agrees to comply with the following specific reimbursement/liquidated damages requirements as outlined in the RFP and Addenda:

3.6 Training

PGCPS will provide training free of charge to all nurses assigned to the school district by the Agency. However, in the event a nurse that underwent PGCPS training leaves the Agency within one (1) full calendar year and no longer provides nursing services to the school district, the agency will be responsible for remittance to PGCPS of the full cost of the training provided by the school district. The training cost reimbursement rate for training provided by PGCPS is \$60.00 per hour, per nurse.

4.0 Agency Eligibility and Qualifications

Because any attempt to quantify the actual damages suffered by the School Board or by a student with a disability as a result of the successful agency's failure to provide the services of a private duty nurse on any regularly scheduled school day would be extremely costly and imprecise, the successful agency understands and agrees that it will be assessed a charge of \$1,000.00 per day, as liquidated damages and in lieu of any other measure of damages, for each day or portion thereof that the student misses school as a result of the successful agency's failure to provide the services of a private duty nurse to that student.
