Subject: **RFP – 075-16 – STAFF MODEL HMO**

This letter is in regard to the subject Request for Proposals (RFP), issued by the Purchasing and Supply Services (“Purchasing”) office of the Prince George’s County Public Schools (“PGCPS”) for Staff Model HMO. After evaluating responses according to the evaluation criteria identified in the RFP, PGCPS is hereby announcing intent to award contract to the following respondent:

- Kaiser Foundation Health Plan

Purchasing will be contacting the aforementioned respondents soon to finalize contracts. As provided in the RFP, service provision is subject to execution of a written contract and, as a result, this notice does not constitute the formation of a contract between the Board of Education for Prince George’s County (“Board”) and the apparent successful bidders. The bidder(s) shall not acquire any legal or equitable rights relative to contract services until a contract containing terms and conditions acceptable to the Purchasing department is negotiated and executed. Purchasing further reserves the right to cancel this notice at any time prior to the execution of a written contract.

Until a contract is signed by the prospective awardee(s) and the BOARD, authorization to commence service provision is forbidden, **except** that implementation efforts and processes may begin to ensure that certain aspects of the awarded services are in place and disruption to plan provision for Board employees is minimized to the greatest extent possible.

This notice is conditioned upon approval by the Board of Education as provided at the Public Board meeting held on May 11, 2017 and the successful execution of a contract.

Thank you for your time and effort put forth in preparing a response to this solicitation and interest in doing business with the Prince George’s County Public Schools.

Sincerely,

Robert E. Johnson, Jr., Esq.
Director, Purchasing and Supply Services
