Dear Isaac Gourdine Parents and Community,

As Assistant Principal of Isaac Gourdine Middle School, it is my great pleasure to welcome everyone back for another great year! This will be our last year at Isaac Gourdine and we are looking forward to closing down the school with an academic and celebratory style. We are excited to see our students return with energy and enthusiasm for learning. It is our mission to help every child feel welcomed, connected, and a part of the Isaac Gourdine Family. In addition, we will strive to make our scholars much better Mathematicians as math will be the focal point for all Prince George’s County Public Schools. We have great teachers who spend hours planning and creating classroom activities to engage our students in learning. We believe that all of our students should graduate from high school prepared for the demands of postsecondary education, meaningful careers, and effective citizens.

I am honored to serve as the Assistant Principal of Isaac Gourdine for the past 14 years. It is truly a privilege to be a part of a community where parents, teachers, and students care for each other and strive to build positive relationships that support academic success and social emotional growth. Please feel free to contact me at 301-449-4940 or at john.moore@pgcps.org.

We are very excited to welcome our 6th grade and new 7th and 8th grade students to our New Student Orientation from 7:30-11:30 on August 26, 2022. Please check the school’s website for transportation information.

We look forward to seeing our scholars on Monday, August 29, 2022. Please make certain that they have a good night's rest, ensure that you have accurate information regarding our school uniform, and check the school’s website for important school information.

Once again, welcome back! Let’s make it a great closure to Isaac Gourdine Middle School!

Sincerely,

John Moore
Assistant Principal
