Dear Parents and Guardians,

I am writing to inform you about an incident at Kenmoor Middle School today.

Our students and staff were evacuated at approximately 2:45 p.m. due to the potential presence of carbon monoxide in the building. Once authorities cleared the building for return at approximately 3:00 p.m., the school day continued without interruption for students and staff.

The safety of our students is our top priority. If you have any questions or concerns, please contact (301) 925-2300 or maurice.wright@pgcps.org.

Thank you for your continued support.

Sincerely,

Maurice Wright
Assistant Principal
